

2019

YOUNG ENTREPRENEUR BOOT CAMP

DEVELOPING FUTURE SKILLS

Much of what is required today may be largely irrelevant tomorrow. How can we prepare teenagers for a world of unprecedented transformations and radical uncertainties?

Beyond predetermined skills, we want to help kids challenge the status quo, think of new ways of doing things, understand and introduction to machine language, learn to reinvent themselves again and again, work together with peers and communicate effectively across all channels.

APPLICATION

Please apply with a short motivation statement to info@circularsociety.com before August 31st, 2019.

WHO IT'S ADDRESSED TO

- ▶ Kids aged 14-18, with a think-out-of-the-box mentality
- ▶ Limited to 24 participants for highly interactive sessions
- ▶ An assessment will be done to ensure fit with program
- ▶ Best for kids already working on or planning projects

LOCATION AND TIMING

- ▶ 14th - 18th October 2019
- ▶ Sihlstrasse 33, 8021 Zurich, Switzerland

ADDITIONAL DETAILS

- ▶ Early bird: 485 CHF (incl. VAT, until 23rd August)
- ▶ Full price: 535 CHF (incl. VAT, after 23rd August)
- ▶ Price includes: meals, snacks
- ▶ Also included is individual assessment, training and all material.

OUTPUT

- ▶ 5-day intensive entrepreneurship training
- ▶ Focus on key competencies currently not addressed by school curricula (technical/hard skills as well as personal/soft skills)
- ▶ Delivery done by expert facilitators
- ▶ Boot camp hosted by entrepreneurship incubator – providing a chance to see and interact with entrepreneurs and start-ups
- ▶ Creation of a close community via teamwork and fun projects
- ▶ Understanding of what entrepreneurship is and engage and encourage kids to pursue more knowledge of it (could be a career option!)
